

TWENTY DOLLARS REWARD.—Runaway from the subscriber, on the 27th of Dec. last, JAS. HENRY OWENS, a bright mulatto Boy, between 14 and 15 years old, and bound to me until he is 21. He is a smart, good looking boy, and can be readily detected by his right leg being sore, it has been sore for 18 months, & offensive, a disease of the bone, and in all probability will not be well for 2 or 3 years. He has free relations in Baltimore, and was with them from the time he ran away from me until the 16th of January, 1844, since which time I have not heard of him. He has relations at Ellicott's Mills also, and lived there 4 or 5 years ago, with a barber. I think it likely he is secreted somewhere in that part of the country, if he is not in the city. I will give \$10 if taken in the city of Baltimore, and \$20 if taken out of the city and lodged in jail (and all reasonable expenses paid) so that I get him again. All persons are forewarned harboring him, at their peril.
